## NEW RECREATION FACILITY, ACQUIRED BY SOUTH JORDAN CITY

As a result of much time and effort, the Mayor, City Council, City Manager and staff are pleased to announce, that as of July 1st 2004, **Mulligan's Golf and Games** will become the property of South Jordan City.

This is the latest addition to the many *recreation* opportunities, available to the citizens of South Jordan City. We look forward to the opportunity of providing our citizens with a high quality golf *recreation* destination. We believe that it will continue to be a high quality facility, and a huge asset to the citizens of South Jordan City.

## BFI TAKES OVER GARBAGE SERVICE

Effective July 1, 2004, BFI which is currently the City's recycling contractor, begins garbage collection for the City. The existing garbage and recycling collection schedule will remain the same. Your garbage collection day will not change. Garbage and Recycle fees will be reduced. **(Fee reductions, as approved by the City Council for both garbage and recycling: Garbage decreased by .41¢; and Recycling decreased by .29¢).**

Residents recently received their new garbage containers (gray with white City logo). All garbage and recycle cans are property of the City. Please note that the City has recorded serial numbers for all cans delivered, and residents are responsible for the garbage and recycle cans assigned to their homes. Residents should take note of their container numbers to ensure that they are in possession of the correct cans.

Residents who still have Waste Management owned containers (bright green or burgundy with the Waste Management logo) should contact Waste Management, at 280-8200, to have these cans picked up. After July 31, 2004 BFI will not collect waste from Waste Management containers.

Please place recyclable items only in your recycle container (dark green with white City logo). For a list of these items please see our website at [www.ci.south-jordan.ut.us](http://www.ci.south-jordan.ut.us) or contact the City offices at 254-3742. Containers should be placed at least 3 feet apart with handles towards the house. Containers must be placed 5 feet from light poles, mail boxes, fences, etc. Please have the containers out for pickup by 7:00 a.m.
